 <p>PARTNERS INTERNATIONAL</p>	<p>“For you have been born again, not of perishable seed, but of imperishable, through the living and enduring word of God.” <i>(1 Peter 1:23)</i></p>			<p>1 Our Central Asia leaders had two trainings over the last couple months. Please pray for those that attended – that they would be bold with what they learned.</p>	<p>2 Pray for our ministry leader in Sudan currently travelling in the US and sharing at churches, and as he travels back to Africa for a consultation later this month</p>	<p>3 We are always in need of more church planters to rise up and bring the Gospel to new unreached places. Pray that their numbers would continue to grow.</p>
<p>4 Pray for our current batch of church planters in training in Indonesia. Pray that God would be equipping them with the skills they need to serve in this area.</p>	<p>5 Pray for our Area Director of the Horn of Africa, as he is in the middle of a month-long trip to the ministry partners in the area. Pray for fruitful meetings.</p>	<p>6 Pray for our ministry partners in South Asia who boldly continue their work in the face of much persecution. Pray for their comfort and protection.</p>	<p>7 Continue praying for the new regulation for churches in East Asia that is still evolving. Many missionaries have been forced to leave, but many churches still meet</p>	<p>8 Pray for several of our ministries in West Africa that are dealing with significant security challenges. Pray for boldness in the face of opposition.</p>	<p>9 Continue lifting up the general elections happening in India early next year, as they have the potential to greatly affect the work we are doing there.</p>	<p>10 Continue praying for our ministry partners in the Middle East, who daily suffer as a result of the continued global power conflict in the area.</p>
<p>11 Keep our Sponsor Children in your prayers – that they would continue to be cared for, and that new sponsors would rise up to help meet the need.</p>	<p>12 Pray for the ongoing disciple making movement in Central Asia. Hundreds have heard the Gospel as a result, and we ask for prayers for this momentum to continue.</p>	<p>13 Pray for AWEMA in North Africa as they are raising funds to implement plans that were outlined at a recent women’s conference last month.</p>	<p>14 Continue to pray for the housing situation for our Area Director in West Africa. Unforeseen complications continue to delay the moving process.</p>	<p>15 Pray for the general lack of church planters in Kenya, and that God would work to bring more into our ministries to spread the Gospel.</p>	<p>16 We are still prayerfully seeking a new staff member in East Asia to help handle the workload. Please pray for the right person to fill this position.</p>	<p>17 Lift up our VP of International Ministry as he recently left on a trip to the Middle East. Pray for safe travels as he visits several ministry partners in the area.</p>
<p>18 Pray for our B4J ministry in North Africa as their women leaders are implementing social media campaigns to reach new people with the Gospel.</p>	<p>19 Continue praying for the leadership shifts that are taking place in several of our ministries in North Africa and the Middle East. Pray that their work is not affected</p>	<p>20 House of Hope in North Africa continues to suffer at the hands of officials. Pray for projects that are delayed and the church that was closed.</p>	<p>21 We recently received a large grant to fund Global Community Transformation in several regions. Pray for fruitful implementation of this project.</p>	<p>22 Continue to pray for the political and economic situation in Sudan. There has been no improvement. Pray as our ministry partner there continues to work.</p>	<p>23 Pray for new women’s ministry leaders in our PMI ministry. There is a steep learning curve, and the positions are key to the work being done.</p>	<p>24 Please continue to pray over our search for a new Area Director for the Mekong region. This is a huge need that has proven difficult to fill.</p>
<p>25 Pray as we develop a new model for training up church planters in the remote regions of East Asia. This is a huge need, and we want to be sure to do it right</p>	<p>26 Please continue praying for the peace deal between Ethiopia and Eritrea to hold. If it does, it could be great news for the continued spread of the Gospel.</p>	<p>27 Continue praying for recovery in Mozambique following the extremist attacks over the last several months. Pray for all families that were affected.</p>	<p>28 In February, we will have a national consultation in Bangladesh. Pray for the logistics, and for God to be at work in the hearts of those who will attend.</p>	<p>29 Pray for North African immigrants that travel between their homes and Europe for work. Pray that our ministry partners would reach them with the Gospel.</p>	<p>30 Our Area Director in East Asia is in conversation with five potential new ministry partners in her area. Pray for wisdom as she makes these decisions.</p>	<p>“For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.” <i>(2 Timothy 1:7).</i></p>

Building the Church in the least-reached places by partnering with indigenous ministries and connecting followers of Christ.
