Saturday

April 2021

<p>1 Pray for travel safety and protection from the virus as participants gather in April for an in-person training in "Coaching" with Northern Sumatra Mission.</p>							<p>2 AWEMA - Praise the Lord for the online Muslim Background Believer ministry in Egypt. Pray for their continued growth in the Lord and for their reaching out to family and friends.</p>	<p>3 Living Gospel Ethiopia- Pray for funding for church planter training. These trainings are strategic investments for church planting in the Horn of Africa, with many coming to Christ and churches planted.</p>
<p>4 Holy Land - Praise the Lord for a new attendee in a Home Group; pray for the Holy Spirit's continued working in her heart. Pray for guidance as church planters and volunteers lead the online ministry.</p>	<p>5 Thank God for His protection as the Cambodia River of Life leaders that were infected by Covid are recovering well. Pray for perseverance and creativeness for the leaders serving in Cambodia.</p>	<p>6 Pray for Raja al Umam to find the right administrator for their team. Pray for wisdom and that all the decisions will be led by the Holy Spirit.</p>	<p>7 Funds are greatly needed for Church Planter support in the Middle East and North Africa. Pray for God's provision for the Church Planters.</p>	<p>8 Global Women's Initiative Pray as the leaders seek to create a workable plan for the year, despite continued travel restrictions.</p>	<p>9 Pray the children's program at JEO in the Middle East. Pray they will see the program continue to grow and see each child flourish as they learn of God's love for them.</p>	<p>10 Dariya Development has seen many new believers through the planting of discovery groups. Praise God for this fruit and pray that these groups will continue to bear fruit.</p>		
<p>11 The Covid situation in India is on the surge. Pray for the Lord to stop the spread of the virus, and to heal those who are infected. Please pray for those bereaved as a result of Covid.</p>	<p>12 Pray as Africa seeks to "reopen," even though the number of Covid cases continues to climb. Pray for our leaders as they creatively continue ministry training and reopen schools in light of Covid regulations.</p>	<p>13 Praise God, Facebook outreach from Cahaya Suku continues to engage with many Muslims. In the past four months, 14 new believers and another 53 study the Bible with the team.</p>	<p>14 Pray for the several ministries seek to help refugees in various countries. These are very fruitful ministries but now with meager resources.</p>	<p>15 Pray for God's Spirit to flood the North Central Asian areas! Ministry leaders say, "More than asking for His blessings, we want our friends to know God more!"</p>	<p>16 Pray that new literacy programs and sewing centers would start strong and that many women would be empowered. We pray for favor and strong relationships to develop in Central Asia.</p>	<p>17 One of Indonesia Church Growth Network's ministries has been revitalized by new leadership, pray for their time of transition.</p>		
<p>18 Praise God Naya Raasta in Central Asia has been expanding the kingdom with Gospel presentations, new discovery groups, and substantial impact through sewing centers and adult literacy programs.</p>	<p>19 Pray for the work in South Asia that many will come to know Christ as their personal Lord and Savior.</p>	<p>20 Cambodia Fountain of Hope - Thank God for the discipleship training last month. The interaction and participation was encouraging. Pray for wisdom and resourcefulness to implement what they learned.</p>	<p>21 Pray for Camp Adonai as they use sports activities to reach youth in the community. People are being empowered to reach out to their neighbors. Acts of love lead to spiritual conversations which lead to commitments to Jesus.</p>	<p>22 Thank God for the work and life of the pastors serving remote areas of Mekong. Pray for their health and the empowering training that is being provided for them.</p>	<p>23 Pray as AIC Youth spread awareness of COVID-19 and help families suffering in South Sudan. "We are mourning because more than 7 people in AIC and close family members have died from the virus."</p>	<p>24 Alatoo team is starting to do discipleship training with pastors. They are planning for the Deborah conference in June 2021.</p>		
<p>25 Pray for wisdom for the leaders in the Horn of Africa to handle transitions in their ministries.</p>	<p>26 Pray for unity in the church and with the people groups in Sudan. Pray that God sends more people for the harvest.</p>	<p>27 Please continue to pray for the MKM school registration in Tanzania. We are still waiting.</p>	<p>28 Mekong Group C women leaders will be taking online training in mental health in June. Pray for all the arrangements and coordination needed to make the training happen.</p>	<p>29 Pray for our on-going focus of multiplying house churches in Southeast Asia. Ask God to raise up key movement leaders.</p>	<p>30 Desert Rain is holding trainings in community health, business development, and discipleship. Praise God they have started 7 discovery groups and 2 churches. They did 17 local seed projects.</p>
